

This certificate is presented in an ongoing effort to recognize design excellence throughout Milwaukee. Recipients have added value to their neighborhood by restoring, constructing or enhancing their properties in a way that respects the urban fabric and contributes to the character of their surroundings.

Urban Ecology Center

1500 East Park Place

With a big-hearted and pioneering gesture, this bold and adventuresome addition to the historic Olmsted-designed Riverside Park takes on education, green building technology, and community outreach in one fell swoop, adding a high-energy center of activity to the park and a wonderful amenity to its urban surroundings.
